Sir:

Applicants herewith request a refund of \$450.00 i.e., one half of the large entity fee paid upon filing of the above identified application, in accordance with 37 CFR 1.28(a).

The above identified New National Phase Application was filed on August 16, 2006 and a full or large entity fee of \$900.00, in payment of the basic national, search and examination fees, was paid at that time. It has subsequently been determined that the application is, in fact, entitled to small entity status. An assertion of entitlement to small entity status in compliance with 37 CFR 1.27(c) is being concurrently filed and a copy thereof is attached to this Request.

Since this application is entitled to small entity status, and this request is filed within three months of the payment date of the total fees of \$900.00 upon filing, a refund of \$450.00, i.e., the difference between the full fee paid and the small entity fee that should have been paid, is hereby requested.
